

F. L. SCHLAGLE HIGH SCHOOL

August 19, 2019

Hello Schlagle students, parents, and guardians!

The first few days of school were very successful due to your high engagement. Remember, at F.L. Schlagle High School, we are developing a 21st century education that offers all students equitable access to future opportunities. This is the vision that drives everything we do from the very first day of instruction.

You are the focus of our vision, so it is necessary for each F.L. Schlagle High School stakeholder to delve more deeply into the work of learning. Last year, your dedication and commitment to learning helped F.L. Schlagle High School see gains on state testing and in other vital areas in school data.

This school year, with a renewed focus on student learning and students' social and emotional needs, we will continue to see gains. This year will see tremendous positive changes across the entirety of our school community. Indeed, it is an exciting time to be a Stallion!

Of course, we are so happy to welcome our new Stallion students and their families! To those of you just joining our Stallion family, I want you to know that you are truly welcome. We know that the skills and talents you bring to F.L. Schlagle High School are key to our continued success.

To reach our academic goals there are expectations that need to be followed. Cell phones, headsets, and earbuds cannot be used during school hours. We are asking that you remind your student of this expectation. Also included in the communication is the revised dress code. Again we are asking your support reminding your student about appropriate attire for school.

It's going to be a great year at F.L. Schlagle High School, and I'm so glad we'll be in it together! I look forward to working with you and your families during another incredible and productive school year.

Sincerely,

Yolanda Thompson, Principal
