March 25, 2021

Dear Stallion Families,

As we come to the end of 3<sup>rd</sup> quarter I want to thank you for your support of F.L. Schlagle High School. This year has been challenging for all of us due to the pandemic. With all of the changes I want you to know that Schlagle administration has been busy preparing for students return March 31st.

We are busy prepping classrooms so that all students and teachers are safe. The cafeteria is prepared to abide by social distancing guidelines and the hallways are marked and ready with one way and one side travel. It has been a huge undertaking, but we have taken great care to make sure that your students and all staff members will be safe while in the building.

There is so much going on regarding school and returning safely to in person learning. This packet of information will help you navigate the changes.

This packet includes:

- Procedures for student in schools during a pandemic
- Back to school health recommendations
- Wyandotte County Schools and Covid-19 information
- Student health forms to be completed
- School dress code
- Revised school bell schedule (For in person and remote learners)
